License No. 26NR14994300 :

 : FINAL ORDER OF  
 : DISCIPLINE  
TO PRACTICE NURSING IN THE STATE :  
OF NEW JERSEY :

This matter was opened to the New Jersey State Board of Nursing (the "Board") upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made:

FINDINGS OF FACT

1. Angela M. Mycek ("Respondent") is a registered professional nurse in the State of New Jersey and has been a licensee at all times relevant hereto.

2. Upon receipt of a flagging notice indicating that Respondent was arrested on January 7, 2012 by the Neptune City Police Department for N.J.S.A. 2C:35-10(a) (1), Possess Controlled Dangerous Substance or Analog, N.J.S.A. 2C:36-2, Possess Drug Paraphernalia, and N.J.S.A. 2C:36-6, Possess/Distribute Hypodermic Needle, the Board sent a letter of

inquiry, requesting certain information and submission of documents, to Respondent's address of record in Manahawkin, New Jersey, via regular and certified mail on or about January 13, 2012. A response was due within twenty (20) days. The regular mailing was not returned; the certified receipt was signed by "J. Mycek" on January 18, 2012 and returned.

3. Upon receipt of a flagging notice indicating that Respondent was arrested on January 28, 2012 by the Neptune City Police Department for N.J.S.A. 2C:35-10(a) (1), Possess Controlled Dangerous Substance or Analog, N.J.S.A. 2C:36-2, Possess Drug Paraphernalia, and N.J.S.A. 2C:36-6, Possess/Distribute Hypodermic Needle, the Board sent a letter of inquiry, requesting certain information and submission of documents, to Respondent's address of record in Manahawkin, New Jersey, via regular and certified mail on or about January 30, 2012. A response was due within twenty (20) days. The regular mailing was not returned; the certified receipt was signed by "J. Mycek" on February 2, 2012 and returned.

4. To date, Respondent has not responded to the Board's requests for information concerning the arrests.

#### CONCLUSIONS OF LAW

Respondent's failure to respond to the Board's request for information and/or failure to provide the Board with a valid

address of record constitute a failure to cooperate with a Board investigation, in contravention of N.J.A.C. 13:45C-1.2, -1.3, in violation of N.J.S.A. 45:1-21(e), subjecting Respondent to disciplinary action pursuant to N.J.S.A. 45:1-21(h).

Based on the foregoing findings and conclusions, a Provisional Order of Discipline suspending respondent's license to practice nursing in the State of New Jersey was entered on April 25, 2012 and a copy served on Respondent. That Provisional Order also imposed a two hundred dollar (\$200.00) civil penalty on Respondent. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30<sup>th</sup> business day following entry unless respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting respondent's request for consideration and reasons therefore.

Respondent replied to the Provisional Order and included payment of the two hundred dollar (\$200.00) civil penalty. Respondent provided all the information requested in the

original letters of inquiry, except for the disposition of the arrest which may still be pending. Respondent apologized for her delay in responding to the Board's request for information, and detailed her efforts since the time of her second arrest.

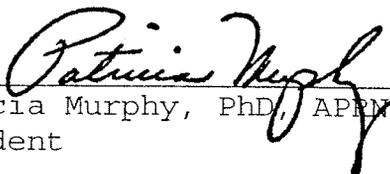

Respondent's submissions were reviewed by the Board, and the Board determined that further proceedings were not necessary and that no material discrepancies had been raised. The Board was not persuaded that the submitted materials merited further consideration on the issue of failure to cooperate, as respondent did not dispute the Findings of Fact or Conclusions of Law. Inasmuch as Respondent provided the information originally requested, the Board determined that suspension was no longer warranted. However, the Board determined that Respondent's failure to provide the Board with the requested information in a timely fashion, thereby necessitating the filing of a Provisional Order of Discipline and review of Respondent's reply months later, warrants imposition of the two hundred dollar (\$200.00) civil penalty.

ACCORDINGLY, IT IS on this 13<sup>th</sup> day of August, 2012,  
**ORDERED that:**

1. A civil penalty in the amount of \$200.00 is hereby imposed upon Respondent, payment of which has been received by the Board.

2. Nothing herein precludes the Board from taking action on the underlying conduct that was originally the subject of inquiry in this matter.
