BUSINESS IN THE STATE OF	:	SUSPENSION
NEW JERSEY	:	

This matter was opened to the New Jersey Fire Alarm, Burglar Alarm & Locksmith Advisory Committee ("the Committee") upon receipt of information revealing the following:

1. Respondent, Matthew T. Rogala, is the holder of license No. 34LS00062200 and was licensed to engage in the locksmith business in the State of New Jersey from March 30, 2006 until August 31, 2010 after which time respondent permitted his license to lapse.
2. On or about February 6, 2011, respondent was arrested by

the Woodbridge Police Department and charged with Simple Assault, pursuant to N.J.S.A. 2C:12-1(a).

3. On or about June 8, 2011, respondent was arrested again by the Woodbridge Police Department, and again charged with Simple Assault, pursuant to N.J.S.A. 2C:12-1(a).

4. Respondent failed to submit his triennial renewal before his locksmith license expired on August 31, 2010 resulting in a lapsed license status. As a result, respondent's license to engage in the locksmith business became automatically suspended without a hearing, pursuant to N.J.S.A. 45:1-7.1(b), for failing to renew his license within thirty (30) days following the expiration date.

ACCORDINGLY, IT IS on this 18th day of September, 2012,
ORDERED THAT:

1. Respondent's license to engage in the locksmith business, in the State of New Jersey, was suspended by operation of N.J.S.A. 45:1-7.1, without a hearing, as of September 30, 2010, and such suspension shall continue.

2. Prior to the Committee entertaining any petition for reinstatement of his license to engage in the locksmith business, respondent shall be required to appear before the Committee to discuss the arrests outlined above, his failure to renew his locksmith license, and to demonstrate his fitness to resume practice. Further, respondent shall satisfy any requirements for

reinstatement of lapsed licensees, pursuant to N.J.S.A. 45:1-7.1(b). Any practice in this State prior to said appearance shall constitute grounds for the charge of unlicensed practice. In addition, the Committee reserves the right to take disciplinary action against respondent's license based on proof of any convictions, as well as the facts underlying the arrests. The Committee also reserves the right to place restrictions on respondent's practice should his license be reinstated.
