STATE OF NEW JERSEY
DEPARTMENT OF LAW & PUBLIC SAFETY
DIVISION OF CONSUMER AFFAIRS
BOARD OF NURSING

IN THE MATTER OF THE
APPLICATION OF

Administrative Action

HEYDEE SANCHEZ

CONSENT ORDER

NR 16405500

TO PRACTICE AS A REGISTERED
NURSE IN THE STATE OF NEW
JERSEY

This matter was opened before the New Jersey State Board of Nursing ("Board") upon receipt of Heydee Sanchez's application for licensure by examination. Upon review of the application, and the results of the Criminal History Background Check, it was ascertained by the Board that although the applicant had checked "no" in response to the questions relating to arrests and/or convictions on her application and on the Criminal History Background Check, she had been twice convicted of shoplifting, once on July 22, 1998 and again on February 18, 1999. The applicant admitted that the conduct underlying these

convictions was the result of bad choices, and claims they do not reflect the person she is today; but indicated that because the offenses had occurred nearly fourteen years ago she believed they would no longer be on her record.

The Board finds that respondent knew or should have known that by checking "no" on the application in response to three questions about arrests and/or convictions she was providing inaccurate information, and that she therefore engaged in misrepresentation on her application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within Order are appropriate, and sufficiently protective of the public health, safety and welfare, and for other good cause shown;

IT IS ON THIS 12 DAY OF December, 2012

HEREBY ORDERED AND AGREED THAT:

1. A \$250.00 civil penalty is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment shall be in the form of a certified check or money order, and shall be submitted along with this signed Order.

2. The applicant's application for licensure shall be granted upon payment of all applicable fees and passage of the required examination.
