IN THE MATTER OF THE LICENSE APPLICATION OF	:	Administrative Action
ASHLEY SILEO	:	
<i>NP 06909800</i>	:	CONSENT ORDER
TO PRACTICE AS A LICENSED PRACTICAL NURSE IN THE STATE OF NEW JERSEY	:	

---

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of <sup>ASHLEY</sup> Ashley Sileo's application for licensure by examination. Upon a review of the application, and the results of the Criminal History Background Check, it was ascertained by the Board that although the applicant had checked

"no" in response to the questions relating to arrests and/or convictions on her application and on the Criminal History Background Check, she had been arrested and charged with shoplifting on January 20, 2010, and convicted of a local ordinance violation of February 25, 2010. She was assessed \$786.00 in fines and costs. The applicant claimed that she checked "no" in response to the questions about arrests and convictions because the charges had been reduced, and she believed that they had been cleared from her record.

The Board finds that respondent knew or should have known that by checking "no" on the application in response to three questions about arrests and/or convictions she was providing inaccurate information, and that she therefore engaged in misrepresentation on her application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within order are appropriate, and sufficiently protective of the public health, safety and welfare, and for other good cause shown;

IT IS ON THIS 29 DAY OF January, 2013  
HEREBY ORDERED AND AGREED THAT:

1. A \$250.00 civil penalty is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment

shall be in the form of a certified check or money order, and shall be submitted along with this signed order.

2. The applicant's application for licensure shall be granted upon payment of all applicable fees and passage of the required examination.
