

CONCLUSIONS OF LAW

1. Respondent's revocation by the Oregon Board of Nursing subjects respondent to sanctions pursuant to N.J.S.A. 45:1-21(g).

Based on the foregoing findings and conclusions, a Provisional Order of Discipline was entered on May 29, 2013, provisionally suspending respondent's nursing license. A copy of the Order was served upon respondent by certified and regular mail at her address of record. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30th business day following entry unless respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting respondent's request for consideration and reasons therefor.

The record reflects that the certified mailing of the Provisional Order of Discipline was signed for. The regular mailing was not returned. No response has been received to date. Accordingly, the Board determined that service had been effected, inasmuch as the mailings had been sent to respondent's address of record with the Board. The Board further determined that as no discrepancies had been raised with respect to the findings and conclusions of the Provisional Order, additional proceedings were not necessary, and the Provisional Order should be made final.

ACCORDINGLY, IT IS on this 9th day of September, 2013,

ORDERED that:

1. Respondent's New Jersey nursing license is hereby suspended until her license has been reinstated by the Oregon Board of Nursing.
