IN THE MATTER OF THE LICENSE : Administrative Action
APPLICATION OF :
DENISE MANDELLA :
26 NP 676 30500 : CONSENT ORDER
TO PRACTICE AS A LICENSED :
PRACTICAL NURSE IN THE :
STATE OF NEW JERSEY :

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of Denise Mandella's application for licensure by examination. Upon a review of the application, and the results of the Criminal History Background

Check, it was ascertained by the Board that although the applicant had checked "no" in response to the questions relating to arrests and/or convictions on her application and on the Criminal History Background Check, she had been convicted on February 11, 1992 of shoplifting. The applicant explained that she checked "no" because she did not consider the incident as involving an arrest or conviction, believing that once she had paid the fine imposed that the matter was "over."

The Board finds that respondent knew or should have known that by checking "no" on the application in response to the questions about arrests and/or convictions she was providing inaccurate information, and that she therefore engaged in misrepresentation on her application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within order are appropriate, and sufficiently protective of the public health, safety and welfare, and for other good cause shown;

IT IS ON THIS 18th DAY OF September, 2013

HEREBY ORDERED AND AGREED THAT:

1. A \$500.00 civil penalty is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment shall be in the form of a certified check or money order, and shall be submitted along with this signed order.

2. The applicant's application for licensure shall be granted upon payment of all applicable fees and passage of the required examination.
