<i>NR 16942100</i>	:	CONSENT ORDER
TO PRACTICE AS A REGISTERED	:	
PROFESSIONAL NURSE IN THE	:	
STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of Jeneen M. Luma's application for licensure by examination. Upon a review of the application, and the results of the Criminal History Background

Check, it was ascertained by the Board that although the applicant had checked "no" in response to the questions relating to arrests and/or convictions on her application and on the Criminal History Background Check, she had been arrested three times in 2003 and 2004 in Las Vegas, Nevada and convicted on one occasion of loitering on private property, and on a second occasion convicted of soliciting. The 2004 arrest appears to relate to a failure to appear. The applicant explained that she had not disclosed these arrests and convictions on her application because she believed that since the cases were closed and the fines paid in full, she would not have to check "yes" on her application.

The Board finds that respondent knew or should have known that by checking "no" on the application in response to three questions about arrests and/or convictions she was providing inaccurate information, and that she therefore engaged in misrepresentation on her application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within order are appropriate, and sufficiently protective of the public health, safety and welfare, and for other good cause

shown;

IT IS ON THIS *18TH* DAY OF *September*, 2013
HEREBY ORDERED AND AGREED THAT:

1. A \$500.00 civil penalty is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment shall be in the form of a certified check or money order, and shall be submitted along with this signed order.

2. The applicant's application for licensure shall be granted upon payment of all applicable fees and passage of the required examination.
