_____)	

The New Jersey State Board of Dentistry received the March 2013 request from W. Thomas Breithaupt, Jr., D.M.D. (Dr. Briethaupt or respondent), seeking to remove restrictions imposed by the Consent Order entered into on March 3, 2010.

In support of the application to remove restrictions, Dr. Breithaupt submitted the report and recommendation from Louis E. Baxter, M.D., Executive Medical Director of the Professional Assistance Program (PAP). Dr. Baxter noted that respondent has been in continuous recovery since January 2007, that he has been compliant with the monitoring program, and that he has agreed to continue his relationship with the PAP.

Based upon the available information and Dr. Briethaupt's compliance with the terms of the March 2010 order, the Board has determined that removal of restrictions on respondent's practice contained in that order is warranted and is consistent with the public health, safety and welfare.

November 1, 2013

IT IS, THEREFORE, ON THIS _____ DAY OF _____, 2013,

ORDERED that the restrictions and requirements set forth in the Board's order of March 3, 2010, are removed.
