BOARD OF MEDICAL EXAMINERS

IN THE MATTER OF THE LICENSE OF	:	Administrative Action
	:	
Paul S. Sender, M.D.	:	ORDER GRANTING
License No.: 25 MA 04474200	:	UNRESTRICTED LICENSURE
	:	
TO PRACTICE MEDICINE AND SURGERY	:	
IN THE STATE OF NEW JERSEY	:	

This matter was most recently opened to the State Board of Medical Examiners ("Board") upon receipt of a request from Paul Sender, M.D. seeking an unrestricted medical license.

By way of Consent Order filed on November 30, 2010, Dr. Sender's license was reinstated with restrictions to include monitoring of his medical practice for a period of one (1) year during which he could not be in solo practice.

CERTIFIED TRUE COPY

Dr. Sender's license previously had been suspended based upon allegations involving patient care.

Dr. Sender has complied with all terms of the 2010 Consent Order. His monitor, Dr. Samuel Preschel, made very positive comments about Dr. Sender's ability to provide medical care to his patients. Dr. Preschel, in his most recent report to the Board referring to Dr. Sender, stated that "[H]e has an excellent fund of medical knowledge and excellent insight into how to effectively evaluate and conservatively treat patients . . . I have no hesitation in recommending that his license be fully restored."

The Board having determined that the within Order is adequately protective of the public health, safety, and welfare,

IT IS ON THIS 8th DAY OF Nov, 2013

ORDERED THAT:

Paul Sender, M.D. is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey.

Pursuant to 45 CFR Subtitle A 60.8, the Board is obligated to report to the National Practitioners Data Bank any action relating to a physician which is based on reasons relating to professional competence or professional conduct:

-
- (1) Which revokes or suspends (or otherwise restricts) a license,
 - (2) Which censures, reprimands or places on probation,
 - (3) Under which a license is surrendered.

Pursuant to 45 CFR Section 61.7, the Board is obligated to report to the Healthcare Integrity and Protection (HIP) Data Bank, any formal or official actions, such as revocation or suspension of a license (and the length of any such suspension), reprimand, censure or probation or any other loss of license or the right to apply for, or renew, a license of the provider, supplier, or practitioner, whether by operation of law, voluntary surrender, non-renewability, or otherwise, or any other negative action or finding by such Federal or State agency that is publicly available information.

Pursuant to N.J.S.A. 45:9-19.13, if the Board refuses to issue, suspends, revokes or otherwise places conditions on a license or permit, it is obligated to notify each licensed health care facility and health maintenance organization with which a licensee is affiliated and every other board licensee in this state with whom he or she is directly associated in private medical practice.

In accordance with an agreement with the Federation of State Medical Boards of the United States, a list of all disciplinary orders are provided to that organization on a monthly basis.

In addition, the same summary will appear in the minutes of that Board meeting, which are also made available to those requesting a copy.

Within the month following entry of an order, a summary of the order will appear in a Monthly Disciplinary Action Listing which is made available to those members of the public requesting a copy.

On a periodic basis the Board disseminates to its licensees a newsletter which includes a brief description of all of the orders entered by the Board.

From time to time, the Press Office of the Division of Consumer Affairs may issue releases including the summaries of the content of public orders.
