FINAL ORDER  
OF DISCIPLINE

This matter was opened to the New Jersey State Board of Nursing ("the Board") upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made:

FINDINGS OF FACT

1. Respondent is a registered professional nurse in the State of New Jersey, and has been a licensee at all times relevant hereto.
2. On or about May 22, 2013, respondent was asked to provide documentation of all continuing education credits earned during the June 1, 2011 through May 31, 2013 renewal period. Respondent provided certificates of completion for thirty contact hours of nursing continuing education, all of which were completed on June 18, 2013.

3. Respondent indicated on her 2013 renewal application, submitted on April 6, 2013, that she would have timely completed continuing education requirements for the 2011-2013 renewal period by May 31, 2013.

#### CONCLUSIONS OF LAW

1. Respondent's indication on her renewal application that she would have timely completed continuing education requirements for the 2010-2012 renewal period constitutes misrepresentation in violation of N.J.S.A. 45:1-21(b)

2. Respondent's failure to document timely completion of the required thirty contact hours of continuing education for the June 1, 2011-May 31, 2013 renewal period constitutes a violation of N.J.A.C. 13:37-5.3, subjecting respondent to sanctions pursuant to N.J.S.A. 45:1-21(e) and (h).

Based on the foregoing findings and conclusions, a Provisional Order of Discipline was entered on December 10, 2013, provisionally imposing a reprimand and a \$250.00 civil penalty. A copy of the Order was served upon respondent by certified and regular mail at her address of record. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30<sup>th</sup> business day following entry unless respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting respondent's request for consideration and reasons therefor.

The record reflects that the certified mailing of the Provisional Order was signed for. The regular mailing was not returned. No response has been received to date. The

Board determined that service had been effected, as the mailings had been sent to respondent's address of record with the Board. The Board further determined that as not discrepancies had been raised with respect to the findings and conclusions of the Provisional Order, additional proceedings were not necessary, and the Provisional Order should be made final.

ACCORDINGLY, IT IS on this 7<sup>th</sup> day of April, 2014,

ORDERED that:

1. A public reprimand is hereby imposed for the violation of N.J.S.A. 45:1-21(b).
2. A \$250.00 civil penalty is hereby imposed for the violation of N.J.A.C. 13:37-5.3, failure to timely complete continuing education. Payment shall be in the form of a certified check or money order, made payable to the State of New Jersey, and sent to the attention of George Hebert, Executive Director, Board of Nursing, P.O. Box 45010, 124 Halsey Street, Sixth Floor, Newark, NJ 07101 within 21 days of the filing of this Order.
