This matter was first opened to the State Board of Pharmacy upon receipt of information that Kira Fedorenko, R.P. ("Respondent"), had applied for an unrestricted license to practice pharmacy. On November 28, 2012, Respondent entered into a Consent Order in which her license to practice pharmacy was suspended for one (1) year following the allegation that Respondent mislabeled a dosage of a vial of the medication Keppra for a patient and that the patient's subsequent overdose may have contributed to his death. The Consent Order imposed a stayed suspension to be served as probation and required, among other things, that Respondent pay a civil penalty of \$1000 to the Board and successfully complete four (4) continuing education credits in medication errors or patient safety.

Respondent, through her attorney Angelo J. Cifaldi, Esq., has presented the Board with documentation showing full compliance with the requirements of the 2012 Order.

Respondent, being desirous of resolving this matter without the necessity of further formal proceedings, and agreeing to waive any right to same, and the Board having determined that this Order is sufficiently protective of the public health, safety and welfare, and all parties agreeing to the terms of this Order;

IT IS ON THIS 16<sup>th</sup> DAY OF April, 2014

**ORDERED:**

1. Kira Fedorenko, R.P., is hereby granted an unrestricted license to practice pharmacy in the State of New Jersey.
