---

This matter was opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of information revealing the following:

1. Respondent, Jeffrey R. Perelman, M.D., is the holder of License No. MA49481 and was licensed to practice medicine and

surgery in the State of New Jersey on February 20, 1987 and, thereafter, permitted that license to lapse on June 30, 2003.

2. On or about December 6, 2012, the Florida Board of Medicine entered a "Final Order" accepting Respondent's voluntary relinquishment of his license to practice medicine with a bar to re-application. Respondent relinquished his medical license to avoid further administrative action with respect to charges set forth in Case Numbers 2008-13844, 2011-10089 and 2011-14116 related to his care and treatment of various patients, including Patients G.D., A.V., D.M., B.S., M.R., J.R. and T.M.

3. Respondent's failure to submit his biennial renewal in New Jersey in 2003 has resulted in a lapsed license status and the automatic suspension of Respondent's license to practice medicine and surgery in the State of New Jersey without a hearing pursuant to N.J.S.A. 45:1-7.1(b).

ACCORDINGLY, IT IS on this 24th day of April, 2014, ORDERED THAT:

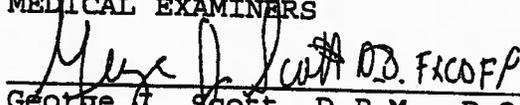

1. Respondent's license to practice medicine and surgery in the State of New Jersey is suspended by operation of N.J.S.A. 45:1-7.1, without a hearing.

2. In the event that Respondent seeks reinstatement of his New Jersey license at any time in the future, then this Order shall require Respondent to appear before a Committee of the New Jersey State Board of Medical Examiners to establish that he is fit to

practice medicine in New Jersey; provide information concerning the disciplinary action taken by the Florida Board of Medicine; and, further, demonstrate to the Board's satisfaction that he holds an active unrestricted license to practice medicine in Florida. Additionally, the Board reserves the right to take disciplinary action and place restrictions and/or limitations upon Respondent's license to practice medicine and surgery in the State of New Jersey. Restoration of Respondent's CDS registration in New Jersey, if applicable, may be sought from the Director of the Division of Consumer Affairs pursuant to the requirements set forth in N.J.S.A. 24:21-1, et. seq., the New Jersey Controlled Dangerous Substances Act, and governing rules.
