Administrative Action  
  
 FINAL ORDER  
 OF DISCIPLINE

This matter was opened to the New Jersey State Board of Nursing ("the Board") upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made:

FINDINGS OF FACT

1. Respondent is a registered professional nurse in the State of New Jersey, and has been a licensee at all times relevant hereto.
2. On or about September 28, 2013, respondent's nursing license in the State of Missouri was suspended by the Missouri State Board of Nursing because of her failure to file state tax returns or to pay state tax liabilities.
3. Respondent has not, to date, notified the New Jersey State Board of Nursing of the suspension of her nursing license by the Missouri Board.

4. Pursuant to N.J.A.C. 13:37-5.9, respondent is required to immediately notify the New Jersey Board of any disciplinary action taken against her license by any other state agency.

#### CONCLUSIONS OF LAW

1. Respondent's failure to notify the Board of the September 28, 2013 suspension of her Missouri nursing license constitutes a violation of N.J.A.C. 13:37-5.9, subjecting respondent to sanctions pursuant to N.J.S.A. 45:1-21(h).

2. The suspension of respondent's Missouri nursing license subjects respondent to sanctions pursuant to N.J.S.A. 45:1-21(g).

Based on the foregoing findings and conclusions, a Provisional Order of Discipline was entered on February 28, 2014, provisionally imposing a reprimand . A copy of the Order was served upon respondent by certified and regular mail at her address of record. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30<sup>th</sup> business day following entry unless respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting respondent's request for consideration and reasons therefor.

The record reflects that the certified mailing of the Provisional Order was signed for. The regular mailing was not returned. No response has been received to date. The Board considered this matter, and found that service had been effected, as the mailings had been sent to respondent's address of record with the Board. The Board further

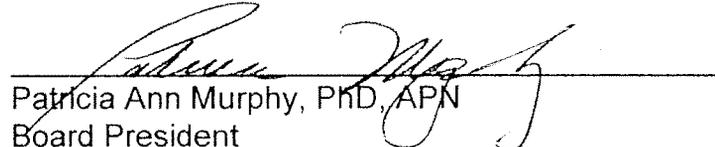

found that as no discrepancies had been raised with respect to the findings and conclusions of the Provisional Order, additional proceedings were not necessary, and the Provisional Order should be made final.

ACCORDINGLY, IT IS on this 6<sup>th</sup> day of June, 2014,  
ORDERED that:

1. A public reprimand is hereby imposed for respondent's violation of N.J.A.C. 13:37-5.9 and N.J.S.A. 45:1-21(g).
