The New Jersey State Board of Dentistry received the July 26, 2013 request from Young J. Kim, D.D.S. ("Dr. Kim" or "respondent"), seeking to remove the restrictions in the Consent Order of Reinstatement filed on July 25, 2012. Respondent provided evidence to the Board's satisfaction that he successfully practiced clinical dentistry in collaboration with a Board-approved dentist since September 2011.

As respondent has complied with the terms of the Consent Order and in light of his demonstration of practicing without any incident, the Board has determined that removal of restrictions on

respondent's license imposed by the Board's prior order is consistent with the public health, safety and welfare.

IT IS, THEREFORE, ON THIS 18th DAY OF June 2014,

ORDERED that the restrictions imposed by the Consent Order of Reinstatement filed on July 25, 2012, on the license of Young J. Kim, D.D.S., are removed, and his license is free of any restriction or encumbrance.
