INTERIM CONSENT ORDER

This matter was opened to the New Jersey State Board of Medical Examiners by John J. Hoffman, Acting Attorney General of New Jersey, on May 8, 2014 by the filing of a Verified Complaint and Order to Show Cause with the New Jersey State Board of Medical Examiners (the "Board") seeking the temporary suspension of the license of Paul DiLorenzo, M.D. ("Respondent") to practice medicine and surgery in New Jersey and other relief. It being alleged in the Verified Complaint that the Respondent's continued practice of medicine represents an imminent danger to the public health, safety and welfare pursuant to N.J.S.A. 45:1-22.

CERTIFIED TRUE COPY

A hearing on the Acting Attorney General's application was scheduled for May 28, 2014. Respondent previously sought an adjournment of the return date of the Order to Show Cause until the Board's meeting on July 9, 2014, and then again for the August 13, 2014 meeting.

On May 23, 2014, Respondent entered into an Interim Consent Order whereby he voluntarily agreed to cease and desist from the practice of medicine and surgery effective June 13, 2014.

The Acting Attorney General seeks an adjournment until the Board's meeting on September 10, 2014, or any subsequent date agreed to by the parties.

The Board, finding the within disposition to be adequately protective of the public health, safety and welfare, and for good cause shown.

IT IS, therefore, on this 24 day of July 2014,

ORDERED that:

1 Respondent is granted leave and shall continue to voluntarily cease and desist from the practice of medicine and surgery in the State of New Jersey effective June 13, 2014 pending the disposition of the Order to Show Cause which is adjourned until September 10, 2014 or any subsequent date agreed to by the parties. The cessation and desistance from practice is without any admissions and without prejudice to any response or defense Respondent may raise to the Acting Attorney General's application;

2. Respondent hereby represents and shall ensure that as of June 13, 2014 and continuing until the disposition of the Order to Show Cause no medical services will be offered by him at any location, including those at which he engaged in the practice of medicine prior to June 13, 2014.
