Re: Uniform Penalty Letter (UPL) In Lieu of Formal Disciplinary Complaint

Dear Dr. Canova:

This letter is to advise you that the New Jersey State Board of Chiropractic Examiners (the "Board") has had an opportunity to review information concerning your disposal of patient records, including your testimony before the Preliminary Investigation Committee of the Board on May 22, 2014.

It appears from that review that you improperly disposed of a large volume of patient records containing confidential information by placing them in a recycling dumpster at the Warren County District Landfill Recycling Center, where they were accessible to, and viewed by a member of the public.

The Board has preliminarily concluded that you have violated N.J.A.C. 13:44E-2.2(e) by failing to properly maintain the confidentiality of patient records.

The Board has determined that it will first offer you an opportunity to settle this matter and thereby avoid the initiation of formal disciplinary proceedings. Should you wish to avail yourself of this opportunity, you should sign the acknowledgment below and agree to the following:

1. cease and desist from failure to comply with the patient record regulation;
2. the issuance of a formal reprimand;
3. pay a penalty in the amount of \$5,000.00 (to be paid immediately upon your signing of the acknowledgment at the bottom of this letter by certified check or money order made payable to the State of New Jersey);
4. pay costs incurred by the Board in the amount of \$747.00;
5. successfully complete and pass the Ethics & Boundaries Assessment Services (EBAS) Essay Examination offered by the National Board of Chiropractic Examiners (NBCE), or an equivalent ethics and boundaries assessment examination pre-approved by the Board, within six months of agreeing to this settlement; and
6. successfully retake and complete the New Jersey Jurisprudence Examination.

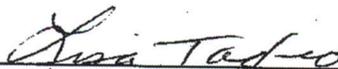

Alternatively, you may waive your right to a hearing and submit a written statement or explanation to the Board. The Board will then consider your submission and render a final decision, which may include any of the terms set forth above. Any disposition by way of a settlement will be a public record, and will have the same effect as an order of the Board. Any failure to comply with the terms to which you agree will be deemed a violation.

If you do not wish to settle this matter, **you may request a hearing**. In that event, this letter will serve as notice of the charges against you and a hearing will be scheduled before the Board. At that hearing you will have an opportunity, either personally or with the assistance of an attorney, to respond to the charges and submit evidence and present testimony as may be necessary in order for the Board to make a final determination concerning the charges of unlawful activity. You should be aware that in making its final decision, the Board may, if unlawful activity has been proven, assess civil penalties in an amount greater than that offered in this letter. Additionally, the Board may, if the facts are found to so warrant, enter an order requiring you to reimburse certain monies, directing you to cease and desist from engaging in unlawful acts and/or requiring you to pay costs incurred in the matter, including the costs of the hearing.

Should you have any questions concerning this letter or the settlement offer herein, I suggest that you ask your attorney to contact Deputy Attorney General John D. Hugelmeyer, who may be reached at (973) 648-4741.

The enclosed certification should be completed and returned to the Board within fifteen (15) days following your receipt of this letter. In the event that the Board receives no response from you within fifteen (15) days, the Board's settlement offer will be withdrawn, and **you will be deemed in default**. The allegations against you will be deemed uncontested. The Board will then proceed to schedule the matter for final review and will enter an appropriate order. Once an order has been entered, your failure to pay any penalties or to fully comply with the order may result in further action to suspend or revoke your license.
