This matter was opened to the New Jersey State Board of Nursing (" Board") upon receipt of respondent's petition for reinstatement of his New Jersey nursing license, which had been suspended pursuant to a Final Order of Discipline entered on January 4, 2013. The basis for the suspension was respondent's failure to complete required nursing continuing education for the 2009-2011 licensing cycle. A \$250 civil penalty was also

imposed based upon the violation of N.J.A.C. 13:37-5.3, i.e., respondent's failure to timely complete continuing education.

Respondent has documented belated completion of the required nursing continuing education, and has paid the \$250 civil penalty imposed by the Final Order of Discipline.

Inasmuch as respondent has satisfied the conditions of reinstatement set forth in the January 4, 2013 Final Order of Discipline, and for other good cause shown;

IT IS on this 10<sup>th</sup> day of October, 2014

HEREBY ORDERED that:

1. Respondent's petition for reinstatement of his license to practice nursing in New Jersey is hereby granted.
