TO PRACTICE AS A REGISTERED	:	
NURSE (R.N.) IN THE	:	
STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of information indicating the following:

1. Respondent, Emily Harder, is the holder of License No. NR12100900 and is a registered nurse in the State of New Jersey.

2. Respondent entered into a private letter agreement with the Board which she signed on or about June 10, 2014.

(Exhibit A) The agreement required respondent to enroll in the Recovery and Monitoring Program of New Jersey (RAMP), undergo evaluation and monitoring, agree to follow recommendations by

RAMP for further treatment, and to refrain from the use of any and all potentially addictive substances. (Exhibit A, ¶¶ 2, 6, and 10) The agreement was to have the force and effect of a Board Order within the intendment of N.J.A.C. 13:45C-1.4. In the event that the Board received reliable information that respondent had acted in violation of the RAMP contract and/or the agreement, the agreement was no longer to remain confidential.

3. In a communication dated July 31, 2014, Case Manager Wendy Summers of RAMP advised the Board that respondent was noncompliant with her RAMP contract, in that she informed RAMP that she did not wish to continue in her nursing career and would not be participating in RAMP. (Exhibit B)

4. On or about September 25, 2014, a letter issued by overnight and regular mail to respondent at her address of record, advising respondent that the Board had received credible information indicating that she was not in compliance with the private letter agreement, and advising her to forward within five days any proof that she was currently in compliance with RAMP. (Exhibit C)

5. The overnight mailing was delivered on September 26, 2014. (Exhibit C) No response has been received to date.

7. A certification from RAMP's director dated October 7, 2014 indicated that Ms. Harder, as of that date, had still not

enrolled in RAMP. (Exhibit D) RAMP enrollment was required by the private letter agreement. (Exhibit A, ¶2)

8. The private letter agreement signed by respondent, which by its terms has the force and effect of a Board order within the intendment of N.J.A.C. 13:45C-1.4, provided for automatic suspension of respondent's nursing license upon receipt of reliable information indicating that respondent has violated any term of the private letter agreement. (Exhibit A, ¶13)

9. Respondent's unauthorized cessation of participation in RAMP constitutes a violation of the terms of the private letter agreement.

Accordingly,

IT IS on this 14th day of October, 2014

HEREBY ORDERED THAT:

1. Respondent's license to practice nursing in the State of New Jersey shall be and hereby is suspended for her violation of the private letter agreement, which is deemed a violation of a Board order within the intendment of N.J.A.C. 13:45C-1.4 and N.J.S.A. 45:1-21(e).

2. Respondent may, under the terms of the private letter agreement, upon notice, request a hearing on the sole issue of whether respondent has failed to comply with the terms of the private letter agreement.

3. In the event that respondent seeks reinstatement of her New Jersey nursing license at any future time, the Board shall not entertain any application for reinstatement without respondent's demonstrating that she is in full compliance with the terms and conditions of the private letter agreement and with any agreement with RAMP, and is fit and competent to practice nursing.
