License No. MB66062	:	CONSENT ORDER
	:	
TO PRACTICE MEDICINE AND SURGERY	:	
IN THE STATE OF NEW JERSEY	:	
_____	:	

**THIS MATTER** was opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of information that on or about August 14, 2013, the Commonwealth of Pennsylvania State Board of Osteopathic Medicine ("Pennsylvania Board") entered an Order adopting and approving a Consent Agreement, and thereafter, on August 20, 2013, the Pennsylvania Board entered an Order adopting

CERTIFIED TRUE COPY

and approving a Corrected Consent Agreement (collectively "Consent Order"), in which Respondent, Jay J. Glickman, D.O., agreed to a suspension of his medical license for a period of thirty-six (36) months, with said suspension immediately stayed in favor of probation subject to other terms and conditions.

The Consent Order provided that Respondent consented to an Order which provided that he violated 63 P.S. §271.15(a)(8) in that he engaged in unprofessional conduct in violation of Pennsylvania Board regulations at 49 Pa. Code §25.216(b) when he engaged in sexual relations with a current patient. Pursuant to the Consent Order, Respondent neither admitted nor denied the allegations set forth in paragraph 3(a) through (f) of the Consent Order.

As a result of the foregoing, the Board has determined that Respondent's acts giving rise to the above Pennsylvania Board disciplinary action provide a basis to take disciplinary action against Respondent's New Jersey license to practice medicine and surgery pursuant to N.J.S.A. 45:1-21(e) and (g).

**IT NOW APPEARING** that the parties wish to resolve this matter without recourse to formal proceedings; and that the Respondent hereby waives any right to a hearing in this matter; and the Board finding the within Order adequately protects the public's health, safety and welfare; and for good cause shown;

IT IS ON THIS 15th day of Jan, 2015 ORDERED AND

**AGREED THAT:**

1. The license of Respondent shall be, and hereby is, suspended for a period of thirty-six (36) months, entirely stayed and served as a period of probation commencing and consistent with the initiation of probation in Pennsylvania as set forth in the Pennsylvania Order and Consent Agreement, but which probationary period shall not terminate until Respondent demonstrates to the satisfaction of the Board that his probationary period in Pennsylvania has been successfully terminated;

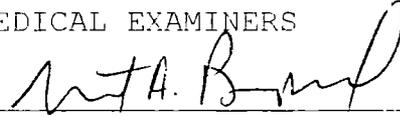

2. Respondent agrees that in the State of New Jersey, he will abide by the restrictions as set forth in the Pennsylvania Order and Consent Agreement; and

3. Respondent agrees that if the Board, upon receipt of reliable information and in its sole discretion, determines during the probationary period that the Respondent has failed to comply with any provision of the Pennsylvania Order and Consent Agreement, or is in violation of any of this Board's statutes and/or regulations, then the period of stayed suspension provided above shall be activated and Respondent's New Jersey license to practice medicine and surgery shall be automatically and immediately suspended without a hearing, in addition to any other limitations or restrictions as the Board deems appropriate. Within five (5)

days of notification of the suspension, Respondent may provide a written request for a hearing before a Committee of the Board limited to the sole issue of whether a violation of this Consent Order has occurred.

NEW JERSEY STATE BOARD OF  
MEDICAL EXAMINERS

By:

  
Stewart A. Berkowitz, M.D.  
Board President

I have read and understand  
this Consent Order and agree to be  
bound by its terms. I further  
hereby consent to the entry of  
this Consent Order.

  
Jay J. Glickman, D.O.

**NOTICE OF REPORTING PRACTICES OF BOARD  
REGARDING DISCIPLINARY ACTIONS**

Pursuant to N.J.S.A. 52:14B-3(3), all orders of the New Jersey State Board of Medical Examiners are available for public inspection. Should any inquiry be made concerning the status of a licensee, the inquirer will be informed of the existence of the order and a copy will be provided if requested. All evidentiary hearings, proceedings on motions or other applications which are conducted as public hearings and the record, including the transcript and documents marked in evidence, are available for public inspection, upon request.

Pursuant to 45 CFR Subtitle A 60.8, the Board is obligated to report to the National Practitioners Data Bank any action relating to a physician which is based on reasons relating to professional competence or professional conduct:

- (1) Which revokes or suspends (or otherwise restricts) a license,
- (2) Which censures, reprimands or places on probation,
- (3) Under which a license is surrendered.

Pursuant to 45 CFR Section 61.7, the Board is obligated to report to the Healthcare Integrity and Protection (HIP) Data Bank, any formal or official actions, such as revocation or suspension of a license (and the length of any such suspension), reprimand, censure or probation or any other loss of license or the right to apply for, or renew, a license of the provider, supplier, or practitioner, whether by operation of law, voluntary surrender, non-renewability, or otherwise, or any other negative action or finding by such Federal or State agency that is publicly available information.

Pursuant to N.J.S.A. 45:9-19.13, if the Board refuses to issue, suspends, revokes or otherwise places conditions on a license or permit, it is obligated to notify each licensed health care facility and health maintenance organization with which a licensee is affiliated and every other board licensee in this state with whom he or she is directly associated in private medical practice.

In accordance with an agreement with the Federation of State Medical Boards of the United States, a list of all disciplinary orders are provided to that organization on a monthly basis.

Within the month following entry of an order, a summary of the order will appear on the public agenda for the next monthly Board meeting and is forwarded to those members of the public requesting a copy. In addition, the same summary will appear in the minutes of that Board meeting, which are also made available to those requesting a copy.

Within the month following entry of an order, a summary of the order will appear in a Monthly Disciplinary Action Listing which is made available to those members of the public requesting a copy.

On a periodic basis the Board disseminates to its licensees a newsletter which includes a brief description of all of the orders entered by the Board.

From time to time, the Press Office of the Division of Consumer Affairs may issue releases including the summaries of the content of public orders.

Nothing herein is intended in any way to limit the Board, the Division or the Attorney General from disclosing any public document.
