IN THE MATTER OF THE LICENSE OF :  
Hu N. Nam, M.D. :  
License No. MA45768 :  
TO PRACTICE MEDICINE AND SURGERY :  
IN THE STATE OF NEW JERSEY :  
: Administrative Action  
: CONSENT ORDER

---

THIS MATTER was opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of information that on or about December 10, 2013, the State of New York Board For Professional Medical Conduct ("New York Board") entered a "Consent Order" at which time Respondent, Hu N. Nam, M.D., agreed to a one month suspension of her medical license, a thirty-six month probationary period and continuous compliance with her medical education credits as specified in the Consent Order, together with other terms and conditions.

The Consent Order provided that Respondent cannot successfully

defend against at least one of the acts of misconduct alleged in the Statement of Charges, which sets forth that during the period between on or about September 23, 2008 and June 9, 2009, Respondent evaluated and treated Patients A-M for injuries sustained in motor vehicle accidents, wherein Respondent ordered excessive diagnostic testing, treatment, and/or therapeutic equipment not warranted by the condition of the patient, thereby committing professional misconduct as defined in N.Y. Educ. Law §6530(35).

As a result of the foregoing, the Board has determined that the above New York disciplinary action provides a basis to take disciplinary action against Respondent's New Jersey license to practice medicine and surgery pursuant to N.J.S.A. 45:1-21(g).

IT NOW APPEARING that the parties wish to resolve this matter without recourse to formal proceedings; and that the Respondent hereby waives any right to a hearing in this matter; and the Board finding the within Order adequately protects the public's health, safety and welfare; and for good cause shown;

IT IS ON THIS 19th day of February, 2015. ORDERED AND AGREED THAT:

1. Respondent's license to practice medicine and surgery in the State of New Jersey shall be, and hereby is, SUSPENDED retroactively consistent with the time and limitations of her New York license.

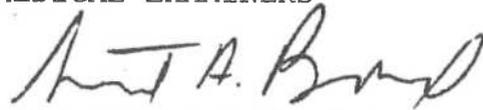

2. Thereafter, Respondent's license to practice medicine and

surgery shall be placed on probation for thirty-six (36) months, commencing and consistent with the initiation of the probationary period as set forth in the New York Consent Order, but which probationary period shall not terminate until respondent demonstrates to the satisfaction of the Board that her probationary period in New York has successfully terminated; and

3. Respondent agrees that if the Board, upon receipt of reliable information and in its sole discretion, determines during the probationary period that the Respondent has failed to comply with any provision of this Consent Order or the New York Consent Order, or is in violation of any of the Board's statutes and/or regulations, then Respondent's New Jersey license to practice medicine and surgery shall be automatically and immediately suspended. Within ten (10) days of notification of the suspension, Respondent may seek a hearing before a Committee of the Board limited to the sole issue of the basis for the automatic suspension.

I have read and understand  
this Consent Order and agree to be  
bound by its terms. I further  
hereby consent to the entry of  
this Consent Order.
