This matter was opened to the New Jersey State Board of Medical Examiners ("Board") upon receipt of information that Theodore F. Jasper, M.D. ("Respondent") had engaged in multiple violations of the rules and regulations governing the practice of medicine and surgery in New Jersey.

On July 2, 2015, the Acting Attorney General filed a Verified Complaint and Order to Show Cause before the Board seeking the temporary suspension of Respondent's license. The conduct supporting the Order to Show Cause, as alleged in the Verified Complaint, include engaging in the use or employment of dishonesty in violation of N.J.S.A. 45:1-21(b); gross or repeated malpractice in violation of N.J.S.A. 45:1-21(c) and/or (d); professional misconduct in violation of N.J.S.A. 45:1-21(e); constitutes a violation or failure to comply with the provisions of any act or regulation

administered by the Board in violation of N.J.S.A. 45:1-21(h) (specifically, engaging in sexual contact with a patient in violation of N.J.A.C. 13:35-6.3); and/or demonstrates the failure to be of good moral character as required for licensing as a physician pursuant to N.J.S.A. 45:9-6.

A hearing on the Acting Attorney General's Order to Show Cause application was scheduled to be heard by the Board on August 12, 2015. In order to allow the parties time to discuss a global resolution to this matter, an adjournment of that date is warranted.

The Respondent, without admissions, consents to the entry of this Interim Consent Order.

The Board finds the within disposition to be adequately protective of the public health, safety, and welfare, and for good cause shown,

IT IS, therefore, on this 12 day of August, 2015,

Female patients may be contacted via telephone, electronic mail or fax for the limited purpose of arranging for continuity of care.

2. During the period of time between the date of this Interim Consent Order and the close of business on August 24, 2015, Respondent shall accept no new patients and shall make every effort to ensure the orderly transfer of his current patients to other treatment providers. Respondent may issue prescriptions or renewals for medication to existing patients only as needed to provide treatment continuity between himself and the patient's new treatment provider.

3. Respondent hereby represents and shall ensure that after August 24, 2015 he shall not see, examine, treat or otherwise offer medical services at any location in New Jersey, including his medical practice located in Clifton, New Jersey or any healthcare facility. This limitation shall specifically include the issuance of any prescription for, or dispensation of, medications of any kind within the State of New Jersey including but not limited to Controlled Dangerous Substances ("CDS").

4. The return date on the Attorney General's temporary suspension application is hereby adjourned until the Board's October 14, 2015 meeting subject to any additional orders entered by the Board in this matter.

5. The parties hereby stipulate that entry of this Consent Order is without prejudice to further action or investigation by this Board, the Acting Attorney General, the Drug Control Unit, the Director of the Division of Consumer Affairs, or other law enforcement entities resulting from Respondent's conduct prior to the entry of this Order, including an action seeking the temporary suspension of Respondent's license.
