:
MICHAEL REISS, M.D. : ORDER GRANTING

IN THE STATE OF NEW JERSEY :
:

This matter was opened to the State Board of Medical Examiners (Board) upon receipt of the petition of Michael Reiss, M.D. (Respondent) for reinstatement of his medical license submitted by counsel, Joseph Gorrell, Esq.

On or about August 5, 2011, Respondent pled guilty in the United States District Court for the Southern District of New York to failing to file reports of financial accounts in Switzerland in violation of 31 U.S.C. § 5314 and 31 U.S.C. § 5322(a). Thereafter, on or about July 27, 2012, based upon the above guilty plea, Respondent entered into a Consent Order with the Board suspending his license

to practice medicine until he completed his supervised release. The Board stayed the suspension solely so that Respondent could work as a physician at three community service organizations which was a requirement of his criminal sentence.

In support of his petition for unrestricted licensure Dr. Reiss submitted documentation that he successfully satisfied his prison term of one day, supervised release, payment of all criminal penalties and restitution, and community service requirements. Thereafter, on May 12, 2015, the Board determined that Dr. Reiss has satisfied all requirements of the Board's July 27, 2012 Consent Order.

Therefore, the Board having determined that the within Order is adequately protective of the public health, safety, and welfare;

IT IS ON THIS 20 DAY OF August 2015

ORDERED THAT:

Michael Reiss, M.D. is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey.
