IN THE MATTER OF THE NJ CDS
REGISTRATION OF

BORIS BORODULIN, M.D.
License No. MA062423
NJ CDS Registration No. D06780600

Administrative Action

CONSENT ORDER

This matter was opened to Steve C. Lee, Acting Director of the New Jersey Division of Consumer Affairs (the "Director") on or about October 6, 2015, upon receipt of information that Boris Borodulin, M.D., License No. MA062423, NJ CDS Registration No. D06780600 ("Respondent"), allegedly failed to comply with N.J.A.C. 13:45H-7.4(a) by issuing certain prescriptions for controlled dangerous substances ("CDS").

Respondent's alleged failure to comply with N.J.A.C. 13:45H-7.4 would provide a basis under N.J.S.A. 24:21-12(a)(3) and (b) for the Director to limit Respondent's NJ CDS registration.

Respondent, on the advice of counsel, and without admission of any violation of law, nonetheless consents to the temporary

limitation of his NJ CDS Registration pending further order of the Director. The Director, finding the within disposition adequately protective of the public health, safety and welfare, and other good cause having been shown:

IT IS ORDERED and AGREED on this 7th day of October, as follows:

1. Respondent's New Jersey CDS registration No. D06780600 is temporarily limited as follows: Respondent shall not prescribe any Schedule II narcotic painkillers, including, without limitation, oxycodone, fentanyl, hydrocodone, methadone, OxyContin, Percocet, Vicodin, and all other opioids.

2. Respondent shall immediately cease and desist from prescribing or dispensing any CDS medications beyond the scope of his CDS registration as limited by paragraph (1) of this Order.

3. Notwithstanding paragraphs (1) and (2) above, Respondent may continue to prescribe patient M.K. Schedule II narcotic painkillers so long as Respondent remains patient M.K.'s authorized treating physician pursuant to an Order for Total Disability of the New Jersey Division of Workers' Compensation.

4. Pursuant to N.J.S.A. 24:21-12(f), the Director shall promptly notify the DEA of the entry of this Interim Consent Order.

5. Respondent understands that this Interim Order is independent of, and not in lieu of, any proceedings on behalf of the Director or the New Jersey State Board of Medical Examiners (the "Board"), or any other state or federal agency. The parties hereby stipulate that entry of this Order is without prejudice to the filing of an Administrative Complaint and/or further investigation and/or action by the Director, Board or other law enforcement entities resulting from Respondent's conduct.

6. This order shall remain in effect until specifically modified by the Director through the entry of a subsequent order(s).

7. Respondent may apply to the Director to request a hearing for modification of the terms of this order. If Respondent requests a hearing to modify this Interim Order, Director shall convene a hearing within forty-five (45) days of Respondent's request to determine whether the restraints in the Interim Order should continue under the requirements set forth in N.J.S.A. 24:21-12.
