ADMINISTRATIVE ACTION

**FINAL ORDER OF
DISCIPLINE**

TO PRACTICE AS A PHARMACY :
TECHNICIAN IN THE STATE OF :
NEW JERSEY :

This matter was opened to the New Jersey State Board of Pharmacy (hereinafter "the Board") upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made:

FINDINGS OF FACT

1. Darryl Maddox ("Respondent") is a registered pharmacy technician in the State of New Jersey and has been registered at all times relevant hereto.

2. The Board of Pharmacy received a criminal flagging notice indicating that Respondent was arrested on December 13, 2014 by the Piscataway Township Police Department and charged with possession of less than 50 grams of marijuana/hash in violation of N.J.S.A. 2C:35-10A(4).

3. On January 23, 2015, the Board sent a letter of inquiry requesting certain information and the submission of documents to Respondent's address of record in Dunellen, New Jersey via regular and certified mail with receipt. The regular mailing was not returned. The certified mail was successfully delivered.

4. To date, Respondent has failed to cooperate with the Board's investigation into the arrest.

CONCLUSIONS OF LAW

Respondent's failure to respond to the Board's letter constitutes a violation of N.J.S.A. 45:1-21(h) in that Respondent has failed to cooperate with the Board's investigation in contravention of N.J.A.C. 13:39C-1.1 et seq. Respondent's failure to provide the Board with a valid address constitutes a violation of N.J.A.C. 13:39-6.10.

DISCUSSION

Based on the foregoing findings and conclusions, a Provisional Order of Discipline seeking the suspension of Respondent's registration to practice as a pharmacy technician in the State of New Jersey was entered on August 11, 2015. A copy was forwarded to Respondent's last known address of record by means of both regular and certified mail. The regular mailing was not returned; and the certified mail was successfully delivered. The Provisional Order was subject to finalization by

the Board at 5:00 p.m. on the 30th day following entry unless Respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be notified or dismissed and submitting any and all documents or other written evidence supporting respondent's request for consideration and reasons therefor.

Because the Order was forwarded to Respondent's address of record, the Board deems service to have been effective. Respondent cannot evade service by failing to provide the Board with a valid address or failing to respond. To date, Respondent has not submitted a response to the Provisional Order. The Board further determined that inasmuch as no discrepancies have been raised with respect to the findings and conclusions of the Provisional Order, no further proceedings are necessary and the Provisional Order should be made final.

ACCORDINGLY, IT IS on this 19th day of November, 2015,

ORDERED that:

1. Respondent's certification to practice as a pharmacy technician be and hereby is suspended until such time as Respondent cooperates with the Board's investigation by

providing answers to the Board's request for information to the Board's satisfaction.

2. Respondent shall refrain from practicing as a pharmacy technician and shall not represent himself as a registered pharmacy technician until such time as his registration is reinstated. Any practice in this State prior to such reinstatement shall constitute grounds for a charge of unlicensed practice. For the purposes of this Order, practice as a pharmacy technician includes, but is not limited to the following: respondent shall not retrieve prescription files or patient files; shall not prepare medication labels; shall not engage in data entry for any pharmacy, shall not count, weigh, measure, pour or compound prescription medication or stock prescription legend drugs or controlled substances; shall not fill an automated medication system; shall not accept authorization for a prescription refill or renewal; shall not handle anything requiring a prescription, including devices and medications; respondent shall not handle prescriptions; and shall not be present within a prescription filling area of a pharmacy.

3. Respondent shall pay a civil penalty in the amount of \$250.00 within 15 days of the filing of a Final Order in this matter. Payment shall be made by bank check, money order, wire

transfer or credit card made payable to the New Jersey Board of Pharmacy and mailed to the New Jersey State Board of Pharmacy, ATTN: Anthony Rubinaccio, Executive Director, 124 Halsey Street, P.O. Box 45013, Newark, New Jersey 07101. Any other form of payment will be rejected and will be returned to the party making the payment. In the event that respondent fails to make timely payment, interest shall begin to accrue at the annual court rule rate, a Certification of Debt shall be issued, and the Board may institute such other proceedings as are authorized by law, including automatic suspension of Respondent's license as described herein.
