Leonard Ginsburg, M.D. : ORDER GRANTING  
License No.:25MA06383300 : UNRESTRICTED LICENSURE  
: :  
TO PRACTICE MEDICINE AND SURGERY :  
IN THE STATE OF NEW JERSEY :

---

This matter was first opened to the State Board of Medical Examiners ("the Board") upon receipt of information that Leonard Ginsburg, M.D. had applied for an unrestricted medical license. The Board had issued an Order of Summary Suspension on September 16, 2004, finding that he had allowed his New Jersey license to expire on June 30, 1997, and that he had entered into a Consent Agreement with the Pennsylvania State Board of Medicine agreeing to pay a fine for failing to maintain a patient's medical record.

**CERTIFIED TRUE COPY**

On January 6, 2016, Dr. Ginsburg appeared before the Preliminary Evaluation Committee of the Board in support of his petition for unrestricted licensure. The Board is satisfied that Dr. Ginsburg has maintained a continuous and unrestricted license to practice medicine in Pennsylvania. He currently practices in Pennsylvania and is current with his continuing medical education requirements.

The Board having determined that the within Order is adequately protective of the public health, safety, and welfare,

IT IS ON THIS 15<sup>th</sup> DAY OF march, 2016

ORDERED:

1. Leonard Ginsburg, M.D. is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey. He shall comply with all administrative issues related to the reinstatement of his medical license, including applicable fees.
