The Board finds that the applicant knew or should have known that by failing to disclose both arrests and convictions on the application in response to the questions about arrests and/or convictions she was providing misleading information, in effect minimizing the extent of her arrest/conviction history, and that she therefore engaged in misrepresentation on her application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within order are appropriate, and sufficiently protective of the public health, safety and welfare, and for other good cause shown;

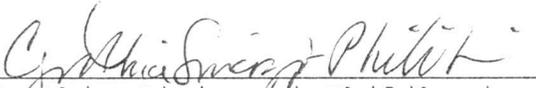

IT IS ON THIS 25<sup>th</sup> DAY OF May, 2016
