This matter was opened to the New Jersey State Board of Medical Examiners (ABoard@) upon the issuance of a Provisional Order of Discipline ("POD") on March 10, 2016, which provisionally revoked Dr. Jeffrey Davis's ("Respondent" or "Dr. Davis") license to practice medicine based on the revocation of his Massachusetts license to practice medicine. The POD ordered that Dr. Davis submit any requests for modification or dismissal, including any

document and written evidence, to the Board prior to the finalization of the Order.

On May 18, 2016, the Board, not having received any response from Dr. Davis, issued a Final Order of Discipline ("FOD") revoking his license to practice medicine. Subsequent to the FOD, the Board received correspondence from Dr. Davis dated May 14, 2016, advising that he had not changed his address with the Board and therefore, had only recently received the POD and was requesting an opportunity to appear to appeal the Board's decision.

The Board considered Dr. Davis's request at its June 8, 2016, meeting and was further informed that the Acting Attorney General had no objection to vacating the FOD and allowing Dr. Davis an opportunity to respond to the POD. The Board found that Dr. Davis's explanation as to why he did not respond earlier to the POD to be credible and further determined the within Order to be appropriate. IT IS THEREFORE ON THIS 16th DAY OF JUNE, 2016

ORDERED:

1. The Final Order of Discipline issued on May 18, 2016 is vacated.

2. Dr. Davis shall be permitted to request a modification

or dismissal of the stated Findings of Fact or Conclusion of Law in the POD within fifteen (15) business days after service of this Order by:

a) Submitting a written request for modification or dismissal to William Roeder, Executive Director, State Board of Medical Examiners, P.O. Box 183, Trenton, New Jersey 08625.

b) Setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed.

c) Submitting any and all documents or other written evidence supporting Respondent's request for consideration and reasons therefor or offered in mitigation of the penalty.

3. As part of his written submission, Respondent may request a hearing in connection with the POD.

4. In the event that Respondent does not request a modification or dismissal of the findings and conclusions contained in the POD, the POD will be subject to finalization by the Board at its next regularly scheduled meeting on July 13, 2016.

5. Should Respondent submit a request for modification or dismissal, the Acting Attorney General will have fifteen (15) days following receipt to respond in writing.

6. Any submissions will be reviewed by the Board, and the

Board will thereafter determine whether further proceedings are necessary. If no material discrepancies are raised through the supplemental submissions during the fifteen (15) day period, or if the Board is not persuaded that submitted materials merit further consideration, a Final Order of Discipline will be entered.

7. In the event that Respondent's submissions establish a need for further proceedings, including, but not limited to, an evidentiary hearing, Respondent shall be notified with regard thereto. In the event that an evidentiary hearing is ordered, the preliminary finding of fact and conclusions of law contained in the POD shall serve as notice of the factual and legal allegations in such proceeding. Furthermore, in the event a hearing is held and/or upon further review of the record, the Board shall not be limited to the findings, conclusions and sanctions contained in the POD and may, if the factual and legal allegations have been proven, order such sanctions or other remedies as it may deem appropriate, including costs.
