CONSENT ORDER  
OF  
REVOCATION

This matter was opened to the New Jersey State Board of Pharmacy ("Board") upon receipt of information that Randy A. Binder, R.Ph. ("Respondent") was criminally charged on June 26, 2012 in the United States District Court for the District of New Jersey with a one count Complaint alleging conspiracy to distribute CDS. Respondent was named as one of ten defendants in a Complaint which alleged that from in or about January 2009 to June 2012, Respondent, who worked at Texas Road Pharmacy in Manalapan, New Jersey, along with nine other defendants, did knowingly and intentionally conspire and agree with each other and with others to distribute and

possess with intent to distribute oxycodone, a Schedule II controlled substance, in violation of 21 U.S.C. 841(a)(1) and (b)(1)(C) and 21 U.S.C. 846.

The Complaint alleges that Respondent illegally distributes Schedule II narcotics and other pharmaceuticals to co-conspirators "in exchange for cash and other non-monetary compensation." The Complaint also alleges that Respondent "accepts prescriptions which he knows to be either counterfeit or stolen" and transports the controlled substances from New Jersey to South Carolina by using mail courier services such as FedEx and UPS. By Consent Order filed on July 20, 2012, Respondent voluntarily surrendered his license to practice pharmacy in the State of New Jersey pending the outcome of the criminal charges, successful completion of all criminal sentencing terms, and further Order of the Board.

On or about December 17, 2014, Respondent pled guilty to Conspiracy to Distribute Controlled Substance (Oxycodone) in violation of 21 U.S.C. 846. On or about December 17, 2014, Respondent was sentenced to 63 months of incarceration, followed by supervised release for a term of three years.

The parties wishing to avoid formal proceedings before the New Jersey State Board of Pharmacy, and respondent having waived any right to a hearing in this matter and the Board having found that Respondent has engaged in professional misconduct, the use or employment of dishonesty, fraud, deception, misrepresentation, false promise or false pretense and acts constituting crimes of moral turpitude and crimes which relate adversely to the practice of pharmacy in violation of N.J.S.A. 45:1-21(b), (e) and (f), and for good cause shown;

IT IS, therefore on this 16<sup>th</sup> day of JUNE, 2016

**ORDERED THAT:**

1. Respondent's license to practice pharmacy in the State of New Jersey is hereby revoked with prejudice. Respondent shall not hereafter apply for reinstatement of his license.
2. Respondent shall not hereafter have any ownership interest in a pharmacy in the State of New Jersey.
3. Respondent shall continue to cease and desist from engaging in the practice of pharmacy, which includes but is not limited to the following: Respondent shall not handle, order, inventory, compound, count, fill, refill or dispense any drug; he shall not handle anything requiring a prescription, including devices and medications; he shall not handle prescriptions, he shall not advise or consult with patients, and he is prohibited from being present within a prescription filling area of a pharmacy.
