IN THE MATTER OF THE LICENSE OF : Administrative Action
: Amir Friedman, M.D. : ORDER GRANTING
License No.:25MA08146400 : UNRESTRICTED LICENSURE
: TO PRACTICE MEDICINE AND SURGERY :
IN THE STATE OF NEW JERSEY :

This matter was first opened to the State Board of Medical Examiners ("the Board") upon receipt of information that Amir Friedman, M.D. had applied for an unrestricted medical license.

On April 9, 2014, pursuant to a Final Order of the Board, Dr. Friedman's license to practice medicine was revoked after the Board found that his medical license in Kansas had been revoked for reasons consistent with grounds for disciplinary action in New Jersey and that he failed to reveal the Kansas

disciplinary action in his re-appointment application at Memorial Hospital of Salem New Jersey.

Dr. Friedman's license was thereafter reinstated by Consent Order filed November 4, 2015 following his appearance before the Preliminary Evaluation Committee of the Board. Among other restrictions, Dr. Friedman agreed to hold hospital privileges at only one hospital, practice in a solo or group practice with a Board-approved practice monitor, limit any surgical procedures to a hospital setting, and participate with the Professional Assistance Program.

In support of his application for unrestricted licensure, Dr. Friedman provided documentation to the Board showing compliance with the November 4, 2015, Consent Order.

The Board having determined that Dr. Friedman has complied fully with the 2015 Consent Order and the Board having determined that the within Order is adequately protective of the public health, safety, and welfare,

IT IS ON THIS 9th DAY OF November, 2016

ORDERED:

1. Amir Friedman, M.D. is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey.
