**13:45B-14.2 Definitions**

As used in this subchapter, the following terms shall have the following meanings unless the context clearly indicates otherwise:

"Health care services" means:

1. Any services rendered to a patient for the purpose of maintaining or restoring the patient's physical or mental health;  
or
2. Any health related services rendered to a patient for which licensure, registration or certification is required as a pre-condition to the rendering of such services.

"Patient" means an individual who needs help with basic life functions, including those related to personal care services.
