**SUBCHAPTER 2. APPLICATION, EXPERIENCE REQUIREMENTS, EXAMINATION**

**13:32-2.7 Credit towards licensure for education, training, and experience received while serving as a member of the Armed Forces**

(a) An applicant who has served in the Armed Forces of the United States (Armed Forces) and who does not meet all of the training, education, and experience requirements for licensure under N.J.A.C. 13:32-2.2 may apply to the Board for recognition of the applicant's training, education, or experience received while serving as a member of the Armed Forces, which the Board shall consider, together with any training, education, and experience obtained outside of the Armed Forces, for determining substantial equivalence to the training, education, and experience required for licensure.

(b) The Board shall issue a license to the applicant, if the applicant presents evidence to the Board that:

1. The applicant has been honorably discharged from active military service;

[page=902] 2. The relevant training, education, and experience the applicant received in the military, together with any training, education, and experience obtained outside of the Armed Forces, is substantially equivalent in scope and character to the training, education, and experience required for licensure under N.J.A.C. 13:32-2.2.

i. An applicant seeking credit for military training and experience shall submit to the Board the applicant's Verification of Military Experience and Training (VMET) Document, DD Form 2586.

ii. An applicant seeking credit for education courses and/or training completed while in the military shall submit to the Board a Joint Services Transcript of his or her education/training for a determination that the education courses and/or training completed are substantially equivalent in level, scope, and intent to the program required for licensure under N.J.A.C. 13:32-2.2. For the purpose of determining substantial equivalence of the applicant's military education and/or training, the Board shall consider only those education courses and/or training relevant to the practice of plumbing that have been evaluated by the American Council on Education for substantial equivalence to civilian plumbing education; and

3. The applicant complies with all other requirements for licensure, including successful completion of licensing examination.

(c) It is the applicant's responsibility to provide timely and complete evidence of the training, education, and experience gained in the military for review and consideration.

(d) If the applicant's military training, education, and experience, or a portion thereof, is not deemed to be substantially equivalent to that required for licensure, the Board shall credit whatever portion of the military training, education, and experience that is substantially equivalent towards meeting the requirements under N.J.A.C. 13:32-2.2 for the issuance of the license.

(e) Satisfactory evidence of such training, education, and experience shall be assessed on a case-by-case basis.

#### SUBCHAPTER 7. MEDICAL GAS PIPING

13:32-7.5A Credit towards certification for education, training and experience received while serving as a member of the Armed Forces

(a) An applicant who has served in the Armed Forces of the United States (Armed Forces) and who does not meet all of the training, education, and experience requirements for certification under N.J.A.C. 13:32-7.3, 7.4, or 7.5 may apply to the Board for recognition of the applicant's training, education, or experience received while serving as a member of the Armed Forces, which the Board shall consider, together with any training, education, and experience obtained outside of the Armed Forces, for determining substantial equivalence to the training, education, and experience required for certification.

(b) The Board shall issue a certificate to the applicant, if the applicant presents evidence to

the Board that:

1. The applicant has been honorably discharged from active military service;
2. The relevant training, education, and experience the applicant received in the military, together with any training, education, and experience obtained outside of the Armed Forces, is substantially equivalent in scope and character to the training, education, and experience required for certification under N.J.A.C. 13:32-7.3, 7.4, or 7.5.
  - i. An applicant seeking credit for military training and experience shall submit to the Board the applicant's Verification of Military Experience and Training (VMET) Document, DD Form 2586.
  - ii. An applicant seeking credit for education courses and/or training completed while in the military shall submit to the Board a Joint Services Transcript of his or her education/training for a determination that the education courses and/or training completed are substantially equivalent in level, scope, and intent to the program required for certification under N.J.A.C. 13:32-7.3, 7.4, or 7.5. For the purpose of determining substantial equivalence of the applicant's military education and/or training, the Board shall consider only those education courses and/or training relevant to the practice of installing or brazing medical gas piping, or acting as a medical gas piping instructor, that have been evaluated by the American Council on Education for substantial equivalence to civilian medical gas piping education; and
3. The applicant complies with all other requirements for certification, including successful completion of certification examination.
  - (c) It is the applicant's responsibility to provide timely and complete evidence of the training, education, and experience gained in the military for review and consideration.
  - (d) If the applicant's military training, education, and experience, or a portion thereof, is not deemed to be substantially equivalent to that required for certification, the Board shall credit whatever portion of the military training, education, and experience that is substantially equivalent towards meeting the requirements under N.J.A.C. 13:32-7.3, 7.4, or 7.5 for the issuance of the certificate.
  - (e) Satisfactory evidence of such training, education, and experience shall be assessed on a case-by-case basis.
