<b>EUGENE DEMCZUK, M.D.</b> :	:	<b>ORDER TO SHOW CAUSE</b>
<b>N.J. CDS REG. No. D04314800</b> :	:	<b>WHY CDS REGISTRATION</b>
_____ :	:	<b>SHOULD NOT BE REVOKED</b>
	:	13-078

This matter was opened to Eric T. Kanefsky, Director of the New Jersey Division of Consumer Affairs (the "Director") pursuant to his authority over the dispensing of Controlled Dangerous Substances ("CDS") as set forth in N.J.S.A. 24:21-1 et. seq. and is based upon his receipt and review of information on which the following preliminary findings of fact and conclusions of law are made.

Eugene Demczuk, M.D. ("Respondent") was a physician licensed to practice medicine and surgery in New Jersey by the New Jersey State Board of Medical Examiners (the "Board") until April 12, 2012 when the Board accepted the surrender of his license to be deemed a revocation. A copy of the Board's order is attached hereto as Exhibit 1. Respondent was also registered to prescribe and/or dispense CDS issued by the New Jersey Division of Consumer Affairs (the "Division") pursuant to N.J.S.A. 24:21-10 under registration number D04314800. Respondent's CDS registration became inactive upon the surrender of his medical license.

On August 11, 2010, Respondent was charged in the United States District Court for the Southern District of New York with illegal distribution of CDS. The arrest followed an undercover investigation in which Respondent prescribed, on multiple occasions, oxycodone to an FBI agent posing as a patient. Respondent accepted \$150 per prescription without performing any medical examination or requesting any medical information from the agent. Respondent provided additional prescriptions to the undercover agent in the names of other individuals. Respondent was subsequently indicted.

On January 11, 2012, Respondent pled guilty in the Southern District to one count of the indictment charging him with conspiring with others to distribute and possess with the intent to distribute Schedule II CDS in violation of 21 U.S.C. §§846, 841(A) and 841(B)(1)(C). (Exhibit 1, Pg. 2). As part of his guilty plea, Respondent admitted to prescribing Oxycodone to individuals without any legitimate medical need in his Union, New Jersey and Brooklyn, New York medical offices.

N.J.A.C. 13:45H-7.4(a) requires that all prescriptions for CDS be issued only for legitimate medical purposes by a practitioner acting in the usual course of his professional practice. Respondent's guilty plea, as detailed above, reflects that he issued CDS prescriptions without legitimate medical purposes and outside the usual course of professional practice.

Respondent's conviction of an indictable offense related to his indiscriminate prescribing of CDS constitutes grounds for the revocation of his New Jersey CDS registration pursuant to the Director's authority under N.J.S.A. 24:21-12(a)(2). Respondent's admission that he issued CDS prescriptions for non-legitimate medical purposes constitutes a violation of N.J.A.C. 13:45H-7.4(a) and thus provides grounds for the revocation of his New Jersey CDS registration pursuant to N.J.S.A. 24:21-12(a)(3).

Pursuant to the above information; the Director's authority under N.J.S.A. 24:21-12(c); and for good cause shown:

**IT IS ON THIS** 30th day of September, 2013 **ORDERED** that

1. The Respondent, Eugene Demczuk, either in person or by attorney, shall show cause before the Director of the New Jersey Division of Consumer Affairs, on December 2, 2013 at 9:00 AM or as soon thereafter as the parties may be heard, at the New Jersey Division of Consumer Affairs, 124 Halsey Street, 7<sup>th</sup> Floor, Newark, New Jersey 07101, why an Order should not be entered (A) Revoking his New Jersey CDS registration pursuant to N.J.S.A. 24:21-12 (a)(2) and/or (3); and (B) Requiring that any future application by Respondent to the Director for a CDS registration be issued only after he proves, to the Director's satisfaction, that such issuance is in the public interest as set forth in N.J.S.A. 24:21-11;

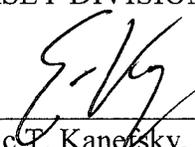

2. That a copy of this Order be served upon Respondent or his attorney forthwith;

3. That Respondent shall file a response five (5) business days prior to the return date set forth above, stating in writing any and all reasons why the revocation of his CDS registration should not occur including any arguments in mitigation and all documents or other written evidence supporting Respondent's position; said response should be delivered to Eric Kanefsky, Director, New Jersey Division of Consumer Affairs, 124 Halsey Street, 7<sup>th</sup> Floor, P.O. Box 45029, with a copy delivered on that same date and time to David M. Puteska, Deputy Attorney General, Division of Law, 124 Halsey Street, 5th Floor, P.O. Box 45029, Newark, New Jersey 07101; and

4. That failure to respond to this Order to Show Cause or failure to appear before the Director in person or through an attorney, as is herein required, may result in this matter being considered in Respondent's absence and an Order may be entered against Respondent revoking his New Jersey CDS Registration.
