IV. ACUPUNCTURE EXAMINATION

The next administration of the full clinical Examination will be Friday, April 20. Two examiners will be needed.

V. CREDENTIALS ISSUES

1. Li Sheng Wang - following last meeting, the attached letter was sent to Mr. Wang. Mr. Wang has again submitted a letter requesting that his program be accepted for licensure.

2. Alex Leyberman - Mr. Leyberman has submitted an application showing both a "Bachelor of Professional Studies" and an Master of Science in Acupuncture from Touro College issued in 2006. No other Bachelors degree is present, although the transcript shows transfer credits from Brooklyn College. The applicant reports that representatives of Touro College stated that the program would meet New Jersey's licensure requirements.
