At the May 12, 2016 meeting, Mr. Kirk informed the Board that there is no new information from the Division of Consumer Affairs. However, there is discussion toward formulating a policy within the Division concerning this matter. The Board unanimously voted to express the Board’s disappointment that the Division has not provided some direction as to the protection of the board member’s position acting on behalf of the state and this Board. Also that none of the state boards are participating in the discussion toward formulating a policy within the Division. On June 9, 2016, the Board expressed their concerns with Matthew Wetzel, Assistant Deputy Director, Division of Consumer Affairs.
