On May 10th the Board reviewed response letter pertaining to the shares issued and breakdown for all members listed. The Board unanimously voted to send a letter advising that it still appears that Pierce Goodwin Alexander & Linville, Inc has not complied with N.J.A.C. 13:27-4.8. Also request information as to what “treasury stock” indicates and the percentage owned by licensed individuals. On June 14th, the Board reviewed a response letter from Beth Funk, CFO. The Board unanimously voted to request they complete an application form with the correct number of shares. On July 12th, the Board reviewed the revised application. The Board unanimously voted to **deny** this application inasmuch as it appears that the shares not issued are owned by the corporate entity which does not meet the requirements in that New Jersey licensed architects do not own two-thirds of the shares.
