Memorandum

TO: Applicants for Licensure in Audiology and/or Speech-Language Pathology

RE: Useful Information for New Jersey Licensure Applicants

IF YOU DO NOT HAVE A CURRENT LICENSE FOR AT LEAST 5 YEARS, YOU MUST COMPLETE THE REGULAR LICENSE APPLICATION.

"ALERT"

JURISPRUDENCE ORIENTATION FOR AUDIOLOGISTS AND SPEECH LANGUAGE PATHOLOGISTS

The New Jersey Legislature finds and declares that the practice of audiology and speech language pathology needs to be regulated for the protection of the health, safety and welfare of the citizens of this State. In order to raise awareness of current New Jersey statutes and regulations applicable to the practice of audiology and speech language pathology, it is now required that all new applicants for licensure (13:44C-3.2(c); applicants who are licensed in other states who wish to become licensed in New Jersey (13:44C-3.4(d); individuals apply for temporary licenses (13:44C-5.2(c) and current licensees who are renewing their license as part of their biennial license renewal and reinstatement (13:44C-4.1(i), complete an online Jurisprudence Orientation.

Please note that 1) under the medical conditions section of the application (question number 7), there are instances when the answer "NOT APPLICABLE" may apply, and 2) it is a very good idea to make sure you read the entire application before filling it out.

Please follow the instructions carefully and remember that full compliance is necessary before you will be issued a license and can begin work.

To assist you, we have listed some common pitfalls which delay processing:

• The New Jersey Audiology and Speech-Language Pathology Advisory Committee will not verify your professional status with the American Speech-Language Hearing Association (ASHA). You must contact ASHA and request your certification or credentials.

FINALLY

Do not confuse the **New Jersey Audiology and Speech-Language Pathology Advisory Committee** with ASHA. The fact that ASHA is in receipt of your records does not satisfy your obligation to the State of New Jersey.

A) Transcripts

You are required to submit an <u>original</u> transcript bearing the raised seal of the college or university where you earned your **bachelors and graduate degree**.

B) Verification of Good Standing

If you are licensed as an Audiologist or Speech-Language Pathologist in another state, please contact your state licensing board(s) to request licensure verification.

C) Continuing Professional Education

Your license to practice Audiology or Speech-Language Pathology in the State of New Jersey must be renewed every two years. Pursuant to N.J.A.C. 13:44C-6.2(b) Licensees applying for their first biennial renewal are exempt from the continuing education requirements.

D) Jurisprudence Orientation

You must go to <u>www.njconsumeraffairs.gov/aud</u>, to complete the Jurisprudence Orientation that is now required. **PUT THE ADDRESS IN YOUR WEB BROWSER**.

Should you have questions relating to the application procedure, you may call (973) 504-6390.

Please Note

Once your application process is completed, your permanent license will be processed. LICENSE NUMBERS WILL NOT BE GIVEN OVER THE PHONE. PLEASE DO NOT CALL THE OFFICE TO OBTAIN YOUR PERMANENT LICENSE NUMBER.

Medical Conditions Questions

Signature of applicant

Questions a through f pertain to medical conditions and use of chemical substances. Please read the definitions carefully. Your responses will be treated confidentially and retained separately. Please be aware that you have the right to elect not to answer those portions of the following questions which inquire as to the illegal use of controlled dangerous substances or activity if you have reasonable cause to believe that answering may expose you to the possibility of criminal prosecution. In that event, you may assert the Fifth Amendment privilege against self-incrimination. Any claim of Fifth Amendment privilege must be made in good faith. If you choose to assert the Fifth Amendment, you must do so in writing. You must fully respond to all other questions on the application. Your application for licensure or certification will be processed if you claim the Fifth Amendment privilege against selfincrimination. You should be aware, however, that you may later be directed by the Attorney General to answer a question that you have refused to answer on the basis of the Fifth Amendment, provided that the Attorney General first grants you immunity afforded by statutory law. (N.J.S.A. 45:1-20.)

For the purposes of these questions, the following phrases or words have the following meanings:

"Ability to practice as an audiologist or speech-language pathologist" is to be construed to include all of the following:

- The cognitive capacity to exercise the reasonable judgments of an audiologist or speech-language pathologist, and to learn and keep abreast of professional developments; and
- The ability to communicate those judgments and related information to patients and other interested parties, with or without the use of aids or devices, such as voice amplifiers; and
- The physical capability to perform the duties of an audiologist or speech-language pathologist, with or without the use of aids or devices, such as corrective lenses or hearing aids.

"Medical Condition" includes physiological, mental or psychological conditions or disorders, such as, but not limited to orthopedic, visual, speech and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional or mental illness, specific learning disabilities, H.I.V. disease, tuberculosis, drug addiction and alcoholism.

"Chemical substance" is to be construed to include alcohol, drugs or medications, including those taken pursuant to a valid prescription for legitimate medical purposes and in accordance with the prescriber's direction, as well as those used illegally.

"Currently" does not mean on the day of, or even in the weeks or months preceding the completion of this application. Rather, it means recently enough so that the use of drugs may have an ongoing impact on one's functioning as a licensee, or within the previous two years.

"Illegal use of controlled dangerous substance" means the use of a controlled dangerous substance obtained illegally (e.g. n or coggina) as well as the use of controlled dangerous substances which are not obtained pursuant to a valid pre-

	taken in accordance with the directions of a licensed health care practitioner.	טנ טנ	лаше	u pur	suam to	a van	a prescri	onon or
