**1. PROPOSED AMENDMENT - N.J.A.C. 13:35-2B.4**

Attached for the Board's consideration is a draft proposed amendment to the Physician Assistant scope of practice regulation. The Executive Committee recommends publishing the proposal in the New Jersey Register for notice and comment.

**2. LEGISLATION**

S 2489 Seeks to provide for religious accommodation regarding admission procedures at licensed health care facilities. The Executive Committee recommended taking no position on this proposal. It, however, noted that it believed that this was already occurring at most, if not all, facilities within the state and therefore, this bill would not be necessary.
