II. COMMITTEE REPORTS:

1. Applications:

- Dr. Caroline Bateman - Application for a dental license. The Board reviewed this application on December 19, 2012 and determined that it would accept the ADEX exam administered by SRTA, but that she must also take and pass the periodontal exam section. Dr. Bateman provided copies of the examinations taken including the periodontal section. The Board recommends approval of this application.

- Dr. Ramin Kashani - Application for a dental license by credentials. Dr. Kashani took the California exam in 2006 and the WREB exam in 2005. He has been in New York since April 2008. The Board questioned whether these exams are comparable to NERB. This application will be placed on the next meeting agenda for further review.

III. LEGISLATION:

1. S-2833 - Proposed legislation which increases penalties for improper prescribing of drugs. The Board took no position on the bill.

IV. ADJOURNMENT: The Board adjourned the Public Session and moved to Executive Session for advice of counsel and review of open matters (investigations and deliberations). When and if action is taken, it will be reported in Public Session.
