Motion made by Mr. Robert A. McCullough and seconded by Mr. Constantinos Papademas, and unanimously passed, that a letter be sent to Ms. Bailey advising that her request to teach continuing education courses is being held in abeyance. According to the brochure provided, the seminar fee for the course entitled gThe 2008 National Electrical Codeh states \$445 for each day or \$890 for both days. However, the application completed by Ms. Bailey reflects that this is a 16 hour course. Therefore, the Board requests that she clarify the course hours (one 16 hour course or two eight hour courses). Additionally, the literature indicates that the registration time is the first half hour of the classroom start time. Therefore, Ms. Bailey is to be advised that instruction time must be a minimum of 8 hours not to include examination, registration, lunch, etc.

The Board would also like to know if she is adding an instructor or replacing an instructor to teach a previously approved course.

The sub-committee reviewed an application for Continuing Education Course/Seminar approval received from Victor V. Timpanaro. Mr. Timpanaro is requesting that courses approved under the sponsorship of MEIA of NJ, Inc. be approved under his sponsorship.

Motion made by Mr. Robert A. McCullough and seconded by Mr. Constantinos Papademas, and unanimously passed, that a letter be sent to Mr. Hughes advising him that his request to teach a continuing education course is

being held in abeyance pending clarification if this is one 24 hour course or three individual 8 hour courses. If Mr. Hughes is seeking approval of three individual courses, he is to provide three separate course titles.

The sub-committee reviewed additional information received from Marcel Renson regarding his request to teach Continuing Education Course Seminars.

Motion made by Mr. Mitchell R. Malec and seconded by Mr. Constantinos Papademas, and unanimously passed, that (3) new courses, and instructors, are approved as submitted. The Board review the Fiscal Year 2007 final budget report.

The Board reviewed the proposed Qualified Journeyman Electrician Regulation which was published in the New Jersey Register on November 19, 2007 for comment.

DAG Provost advised the Board that it can file a Certificate of Debt against a licensed electrical contractor who has failed to pay a civil penalty assessed against them.
