The above mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to operate any amusement game in the State of New Jersey without a valid certification.

This certification is conditioned upon the following:

Addam's Family Generator is a single player game with two handles at the top of the machine. The object of the game is for the player to grasp on to the two handles and continue to hold on as the machine produces a simulated electric shock through the use of vibrations created in the handles. The longer the player holds on to the two handles the more point value is awarded.

- 1) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 2) The credit accumulation option for this device must be disabled
- 3) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 3.) Payout must occur immediately in the form of tokens or tickets.
- 4.) Game shall be clean and free of debris.
- 5.) Game shall be installed and maintained according to manufacturer specifications.

This certification is not a license to operate the captioned gambling device. The device may only be operated in a location specifically approved for the operation of amusement games pursuant to the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this certification upon notice to the manufacturer and/or applicant.
