Certification No. 2-407

Austin Powers is a coin roll down game where the player has to time the dropping of the coin so it stops the flashing lights. The objective is to time the coin to stop the lights

on the center bonus wheel position. Tickets are awarded based on where the flashing lights stop. In the bonus wheel, tickets are awarded based on where the wheel stops.

- 1.) The maximum price to play shall not exceed the values set forth in N.J.A.C. 13:3-3.4.
- 2.) Payout must occur immediately in the form of tokens or tickets.
- 3.) Bonus light shall be configured as to not have any variable window of opportunity for the player.
- 4.) Game shall be clean and free of debris.
- 5.) Game shall be installed and maintained according to manufacturer specifications.

This certification is not a license to operate the captioned gambling device. The device may only be operated in a location specifically approved for the operation of amusement games pursuant to the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this certification upon notice to the manufacturer and/or applicant.
