GAME DESCRIPTION

Crystal Wheel is a three reel, single line skill stop game. The player can insert from one to three coins. Each coin added increases the potential winnings which is displayed as each coin is inserted. The 3rd coin enables the “Bonus” feature. Once the player is ready or inserts maximum number of coins, the player then hits the “Spin” button to begin play. The game reels will spin until stopped by the player using the skill stop buttons for each reel. When the reels have been completely stopped, the game evaluates the symbols on the reels. If a “Nudge” symbol, indicated by an arrow going through one of the symbols, is located above or below the payline the symbol will then move to the payline. The winnings are determined by the positions of the reels when stopped and the amount of coins played. If the bonus symbol, located on the 3rd reel, lands on the payline, the player will play the bonus wheel by pressing the “Spin” button. The payout of the bonus is based upon the symbol the wheel stops at.
