The above-mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains three pages. This is page 1 of 3.

GAME DESCRIPTION

Fishin Time is a single player video redemption game. The object of the game is for the player to press the "Fish" button which activates the fishing hook. The player lowers the fishing hook in an attempt to catch as many fish as possible. If the player's hook touches fish, piece of junk, time bonus icon, or treasure chest, that object is caught and automatically reeled back to the player's boat at the top of the screen. The player is awarded for each object caught according to the award schedule. All awards are dispensed as tickets to the player for prize redemption.

CONDITIONS

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 2.) Payout must occur immediately upon a win.
- 3.) The game play field shall be clean and free of debris.
- 4.) Game shall be installed and maintained according to manufacturer specifications
- 5.) The device is being operated by the following EPROM(S):

<u>Software ID</u>	<u>Memory Size</u>	<u>Position</u>	<u>Kobetron Signature</u>
