This Certification of Permissibility contains three pages. This is page 1 of 3.

**GAME DESCRIPTION:**

Free For All (Wheel) is a three reel, Five- line skill stop games with a “Wheel Spin” feature. The player inserts from one to five coins. Each coin added increases the number of lines played. Once the player is ready or inserts maximum number of coins, the player then hits the “Spin” button to begin play. The game reels will spin until stopped by the player by using the skill stop buttons for each reel or after the game has timed out (approximately 25 seconds). When the reels have been completely stopped, the game evaluates the symbols on the reels. Any winning combinations are then immediately awarded tokens or tickets to the displayed award schedule.

The “Wheel Spin” bonus feature is assured of winning one of 16 prizes valued between 3 and 1000 tokens or tickets. The bonus feature has 2 “Spin” symbols located only on the 2<sup>nd</sup> reel. This is achieved when the player stops the 2<sup>nd</sup> reel on the “Spin” symbol.
