This is page 1 of 3.

GAME DESCRIPTION

The Minions Whacker is a single player electronic arcade redemption game. The game consists of a soft mallet which is located and the player position, an LED game clock display, an LED score display and a large game button that initiates the game. The play field for the Minions Whacker game consists of eight plastic "Minion" characters that are positioned on a flat playfield.

The object of the game is for the player to strike the "Minion" characters as they illuminate and pop their heads up from the holes which they came from. The player is awarded points for every successful strike of the "Minion" character. Game play continues until the game clock expires (default value 30 seconds) at which time the player is awarded tickets based upon the games posted ticket payout schedule. Upon completion of the game all tickets are dispensed to the player for prize redemption.

CONDITIONS

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 2.) Payout must occur immediately in the form of tickets for prize redemption.
- 3.) Game shall be clean and free of debris.
- 4.) Game shall be installed and maintained according to manufacturer specifications.
