The game named above is hereby granted a Certification of Permissibility for operation in New Jersey pursuant to the provisions of the Amusement Games Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This Certification of Permissibility is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the Law and Regulations, the specifications submitted by the applicant and the conditions set forth in this certification. Any modification of the specifications as submitted at the time of application or the conditions set forth herein shall immediately void the Certification of Permissibility for any game so operated.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains four pages. This is page 1 of 4.

GAME DESCRIPTION:

Need for Speed is an eight (8) player video simulated competitive race car game. The players pay a fixed amount entry fee to enter the tournament competition. The operator enables the individual player stations and selects the race course to be driven. The player has the ability to select from one (1) of the five (5) cars available for each race. The player also has the option of selecting the color preferred as well as automatic or manual transmission. The player then drives their respective car through the required laps on the race course. The first player to reach the finish line is pronounced the winner and is awarded a prize.

NOTE: Need for Speed is also capable of game play in a coin-operated mode when not used in tournament play. In coin-operated mode there is no operator interaction and prizes are not awarded to the winning individuals.

DEFINITIONS:

“Obstruction” means any portion of the stand/structure, any light or other type fixture, any box, bag, prize, fence or other material.

“Play field” means the area within the stand/structure in which the player is required to play the game.

“Prize Category” means a prize, or group of prizes of comparable value, available to a player upon completion of the task necessary to win a prize in a particular category or available to a player by “trade up.”

“Prize category designation” means the identifier of one of the six authorized prize categories prescribed by condition 10 of this Certification of Permissibility.

“Professional quality” means that the surface of the sign to be used must be smooth and rigid in nature and not made from paper or corrugated cardboard, unless laminated.

“Round of play” means the sale of a right to participate, the event which determines whether the player wins or loses and the award of the prize.

“Stand/structure” means any stand, structure, booth, tent, trailer or area in which the game is operated.

“Trade up” means trading multiple prizes of a lower prize category for a prize in a higher prize category.

CONDITIONS:

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 2.) The play field shall be clear of all obstructions.
