The above mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to operate any amusement game in the State of New Jersey without a valid certification.

Over the Rainbow is a wheel stop type game. The object of the game is to spin three wheels and stop them in an attempt to match no less than two of the graphic symbols displayed on the wheels. The wheels will spin until the player presses the corresponding SKILL STOP buttons which will ramp down the appropriate wheels. the wheels will stop by themselves after 30 seconds if no SKILL STOP button is pressed.

This certification is conditioned upon the following:

- 1.) The maximum price to play shall not exceed the values set forth in N.J.A.C. 13:3-3.4.
- 2.) Payout must occur immediately in the form of tokens or tickets.
- 3.) Award schedule must adhere to manufacturer's requirements.
- 4.) Game shall be installed and maintained according to manufacturer specifications..

This certification is not a license to operate the captioned gambling device. The device may only be operated in a location specifically approved for the operation of amusement games pursuant to the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this certification upon notice to the manufacturer and/or applicant.
