The game named above is hereby granted a Certification of Permissibility for operation in New Jersey pursuant to the provisions of the Amusement Games Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains four pages. This is page 1 of 4.

**GAME DESCRIPTION:**

Pop-A-Shot is a single player basketball like game where the player shoots a basketball into a hoop. The play field is constructed with netting on both sides of the game to keep the basketballs in play, three miniature 7 inch basketballs and a hoop that is 8 ½ inches in diameter. The game plays by inserting the correct amount of coin(s) or token(s) into the acceptor. The player attempts to shoot as many basketballs into the hoop for score until the game clock expires. Points are accumulated according to the amount of each ball that passes through. Tickets are awarded based upon the number of points scored.

**DEFINITIONS:**

“Game board” means the backstop, hoop and net.

“Obstruction” means any portion of the stand/structure, any light or other type fixture, any box, bag, prize or other material.

“Play field” shall be the area between the player position extending two (2) feet behind and two (2) feet on either side of any pedestal used for game play.

“Prize Category” means a prize, or group of prizes of comparable value, available to a player upon completion of the task necessary to win a prize in a particular category or available to a player by “trade up.”

“Prize category designation” means the identifier of one of the six authorized prize categories prescribed by condition 10 of this Certification of Permissibility.

“Professional quality” means that the surface of the sign to be used must be smooth and rigid in nature and not made from paper or corrugated cardboard, unless laminated.

“Round of play” means the sale of a right to participate, the event which determines whether the player wins or loses and the award of the prize.

“Stand/structure” means any stand, structure, booth, tent, trailer or area in which the game is operated.

“Trade up” means trading multiple prizes of a lower prize category for a prize in a higher prize category.

**CONDITIONS:**

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-.3.4.
- 2.) The play field shall be clear of all obstructions.
- 3.) The play field shall be contained within the stand/structure in which the game is located.
- 4.) No merchandise shall be allowed in or around the stand/structure for display purposes only.

- 5.) All prizes displayed must be available to be won either in a single round of play or by trading up through continued play.
- 6.) A sign explaining prize category trade up requirements shall be conspicuously posted at all times during the operation of the game.
- 7.) The minimum size of a sign containing the statement required by condition number 6 of this certification shall be 8.5 inches x 11 inches. The sign shall be of professional quality and shall consist of block letters of at least .50 inches. The background and the letters of the sign shall be electronically displayed or permanently printed of contrasting colors.
- 8.) All prizes available through the play of the game shall be conspicuously displayed above the front counter height of the stand/structure.
- 9.) The maximum number of prize categories shall be six (6).
- 10.) Prize categories from the lowest to highest in values shall only be known, referred to, designated, or labeled as: Small; Medium; Large; X-Large; Jumbo or Choice.
- 11.) The prizes to be awarded shall be labeled to indicate category. Prizes shall be labeled individually or as a clearly delineated group of the same prize category.
- 12.) The maximum number of prizes required in order to trade up to the next higher prize category shall be three (3). (IE: Three Small prizes are required to trade up to one Medium prize. Three Medium prizes are required to trade up to one Large prize. Three Large prizes are required to trade up to one X-Large prize. Three X- Large prizes are required to trade up to one Jumbo prize. Three Jumbo prizes are required to trade up to one Choice prize.)
- 13.) Each ball used shall be inflated in accordance with manufacturer specifications and shall be equal in size, shape, weight, and all other characteristics that may affect game play.
- 14.) Any ball used shall have a maximum diameter of 9.5 inches.
- 15.) The hoop through the ball must pass shall be no less than 15% larger than the ball used. (IE: Diameter of ball = 7 inches, minimum hoop size = 8.05 inches. Diameter of ball = 9 inches, minimum hoop size = 10.35 inches. Diameter of ball = 9.5 inches, minimum diameter of hoop = 11 inches. Diameter of the ball X 1.15 = minimum size of the hoop)
- 16.) The hoop size required by Condition #15 of this Certification of Permissibility shall be a measurement of the inside diameter of the hoop.
- 17.) The hoop through which the ball must pass shall be set at a maximum height of 10 feet, measured from the floor of the stand/structure in which the game is located.
- 18.) In addition to the provisions set forth in condition #2 of this Certification of Permissibility, no obstruction above the play field shall be closer than 3 feet above the hoop.

19.) The maximum length of the play field in a long range basketball game shall be 20 feet.

This Certification of Permissibility is not a license to operate the captioned gambling device. The game must be licensed in accordance with the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this Certification of Permissibility upon notice to the manufacturer, operator and/or applicant.
