GAME DESCRIPTION

The "Prize Zone" device is a multi-game video machine. Twelve games are available to players. Prize Bucks are awarded to the players at the conclusion of each game. Prize Bucks may be accumulated and redeemed for prizes. The prizes available are displayed in the prize menu. When a prize is selected a voucher is printed with the prize selected indicated on the voucher. The player may then redeem the voucher at the prize counter located within the facility.

The player may use cards as it takes to equal the value of 11. The game ends when time expires, or if the deck cards run out. The player then receives the bonus prize, which consists of the amount of 11's made, and the time left on the game clock.
