The above mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to operate any amusement game in the State of New Jersey without a valid certification.

This certification is conditioned upon the following:

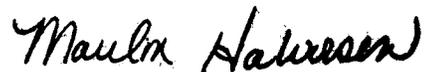

Runnin' Water is a 12 station competitive group water race game. Players compete against each other using a joystick, which moves a water catching pitcher. A spigot moves on a horizontal track dispersing water or water comes out of three fixed spigots. The players must move the pitcher under the running water in order to fill the pitcher. The First person to fill the pitcher wins, triggering a ringing bell and a flashing, spinning light which indicates the winner.

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 2.) Game shall be clean and free of debris.
- 3.) Game shall be suitably maintained and in proper working order.
- 4.) Software EPROM ID for main board is "BSR9050 REV B" for U 1 & U2
- 5.) Game shall be installed and maintained according to manufacturer specifications.

This certification is not a license to operate the captioned gambling device. The device may only be operated in a location specifically approved for the operation of amusement games pursuant to the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this certification upon notice to the manufacturer and/or applicant.
